

Christmas for over 300 children in Uganda

In Bwembe on Lake Victoria, Get It Done, a charity from Austria, runs a day school with a children's home. For Christmas 2026 we are buying the children **school books, clothes and presents**. Will you help?

What we are buying in 2026

School books – the new school year in Uganda starts in February.

Clothes – always in short supply with over 300 children.

Presents – because Christmas should be a joy.

Christmas 2024

270 children and around 500 guests from the villages celebrated. €2,131 was raised for presents – about €8 per child for blankets, mosquito nets, toothbrushes, clothes and biscuits.

There is no fixed package: all Christmas donations go into one pot, and everything is bought locally in Uganda for all the children. Afterwards we show on the website, with photos, what was bought and handed out. The charity is run entirely by volunteers – 100% of donations go to the children.
